

Bozeman

Out West . . .

The Bozeman Watch Company announces the release of its first "Montana Class Watch Collection" designed exclusively for women. The 50-piece Ladies' Gallatin uses a COSC-certified Swiss-made automatic chronometric movement. Its brushed stainless steel case measures 32mm and comes with a brushed stainless butterfly bracelet with BWC deployment buckle.

Word out of Montana is they are expected to move off shelves swiftly. Go to www.bozemanwatch.com
